2020 **VIRTUAL** CONVENTION

SEPT 30 – OCT 1, 2020

2020 IMCO National Convention goes virtual!

Out of concern for the health and wellness of our Vendors, Members, and staff, IMCO is transitioning our 2020 IMCO National Convention to a dynamic virtual platform. A complete virtual trade show and educational sessions will be held **September 30 – October 1, 2020**.

Though we will miss being with all of you in person, we have created an amazing way to stay connected and benefit from the convention experience. The virtual platform will showcase IMCO's educational content and foster connections between exhibitors and attendees – all within a robust graphical experience where attendees will visit exhibitors booths in the Exhibit Hall, participate in education sessions, and even have the opportunity to interact with other attendees in real-time.

This new format will allow more of your team to attend, while reducing travel time and associated expenses.

No technical skills needed and there is no software to download or install.
